CLIA Classes Have Begun – A Joyful Start to 2025!

We are thrilled to share that CLIA Classes have officially begun!

On 15th February 2025, our classrooms came alive with excited children, ready to learn, grow and thrive.

As we begin this new year, we remain committed to providing free tuition classes in a warm and supportive environment, where students receive the academic help they need while building confidence and strong values.

With our dedicated teachers and a heart for every child's success, we look forward to an inspiring year ahead!

We had the joy of blessing the children with school bags and stationery, making sure they have everything they need to step into their classes with confidence.

We pray that this school year will be filled with learning, laughter, and new opportunities for each of them.

Celebrating Excellence: Honouring Our Star Students

We are overjoyed to celebrate Albert, who achieved all **As** in his Standard 6 exams! His success is a reflection of his hard work, perseverance and the unwavering support from his grandmother, his family and the teachers at CLIA.

At CLIA, we believe in the potential of every child and it is amazing to see how family and the support from our teachers can make a difference.

Albert, your dedication has truly inspired us all!

Joyce Jocelyn, our Chef in the making!

Our incredible vocational school student, has worked so hard and poured so much passion into this journey and we couldn't be prouder of her!

Seeing everything she has achieved is truly inspiring. From the long hours and challenges she has overcome to the growth and excellence she has shown, it's been amazing to watch her shine.

As we count down to her graduation, we know this is just the start of even bigger things ahead for her and we can't wait to see all that God has in store for her future!

Having seen the incredible impact of CLIA on our children, we are now opening it to the public for ages 5 to 13.

What makes our **CLIA classes unique** is that we go **beyond academic achievements**. We focus on **character development** and nurturing each child's **talents** in music, sports and other areas. We believe that as they grow, they will develop into confident, well rounded individuals who will become **the leaders of tomorrow**.

CLIA Christmas Party – A Celebration Across the Region

Last year's CLIA Christmas Celebration was truly special as each branch church—from Kuala Lumpur, Selayang, Pahang, Negeri Sembilan and Setia Alam, held their own gathering, creating a beautiful tapestry of **JOY** and **LOVE** across our communities.

For some, it was their very first time experiencing a Christmas celebration, making it all the more meaningful. Each location was filled with music, laughter, food and heartfelt moments.

We shared joy and love through exciting games, delicious meals and special hampers, making sure everyone felt the warmth of the season.

We are so thankful for everyone who came together to make this celebration memorable.

CLIA Helping Hands – Extending Love and Support to a Family in Grief

A heartbreaking tragedy shook our community earlier this year, leaving a family in deep sorrow. A father, overwhelmed by depression, debts and addiction, made the painful decision to take his own life. In an instant, his wife and three children were left to pick up the pieces, their world turned upside down. The laughter that once filled their home has been replaced by grief, uncertainty and fear of what the future holds. Their mother, despite her own pain, is doing everything she can to stay strong for her children, but the weight of loss and financial struggles is overwhelming.

It breaks our hearts to see a family in such deep pain. Our senior pastors, Rev. Arnold and Rev. Santhana, have been walking alongside them, offering counseling and emotional support to help them navigate their grief. But beyond words, action was needed. To ease their burdens, provisions, school uniforms and stationery were provided for the children, ensuring they could continue their education without worry. Looking ahead, there are plans to help the mother start a small business, giving the family a chance to rebuild and find hope again.

Their journey of healing is far from over, but they are not alone. Through love, care and continuous support, we stand with them, reminding them that even in their darkest moments, there is still light and there are still people who care

The Importance of Mental Health Support

If you or someone you know is struggling, please know that you are not alone. There are people who care and are ready to listen. We encourage anyone facing emotional or mental distress to reach out for counselling and support.

Life took a devastating turn for a young father just a month after welcoming his newborn. What should have been a time of joy and new beginnings quickly turned into a season of pain and uncertainty when he was involved in an accident. Hospitalised for two months, his road to recovery has been slow and difficult, with his injured leg requiring extensive treatment and rehabilitation. Once the sole provider for his family, he now faces the heartbreaking reality of not being able to work, all while longing to hold his child without the burden of pain.

His wife, still recovering from a caesarean section, has been unable to work as she cares for their baby full-time. To make things even more challenging, their newborn developed a skin condition, adding to their distress and sleepless nights. Though the baby is now improving, the family has faced overwhelming emotional and financial struggles.

CLIA Helping Hands – Walking with a Family in Need

In this time of great need, CLIA stepped in to offer support, providing financial aid to ease their burdens, along with groceries, baby supplies, and assistance with hospital expenses. This family's story is a reminder that even in the hardest moments, compassion and kindness can bring hope.

Isaiah 41:10

"So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."

A Message from the Founder: From My Heart to Yours

As we begin 2025, my heart is full of gratitude and excitement for what lies ahead. Looking back, I am humbled by the incredible ways we have seen lives transformed through our community. Each story of healing, hope and growth reminds me that when we come together, great things happen.

This year, I believe God has something even greater in store for us. I feel that we are stepping into a season of breakthrough, where new doors will open, hearts will heal and opportunities will arise that we never expected. Those who have been struggling will experience a renewed sense of purpose and strength. God is moving in ways we may not fully see yet, but I trust that His plans for us are bigger and better than we could imagine.

At CLIA, our mission is simple, to show up for each other, to love without limits and to remind everyone we encounter that they are not alone. I believe this year will be one where we continue to make a real difference and I am excited to see how God will use each of us.

Thank you, from the bottom of my heart, for your ongoing support. Together, we will continue to walk in love, faith and hope.

Changing lives one step at a time!
