CLIA Junior Education Is Now Open to Public

As we begin a brand new year at CLIA, we are excited to announce that CLIA Junior Education is now open to the public!

This means more children can now be part of our programs to ensure that this children have a brighter future. We have a team of dedicated volunteer teachers that continues to give their time and talent in doing their very best to invest in each child's life.

Here, our children can look forward to a loving and safe environment and they are given the opportunity to study and grow in areas below:

- Music classes
- Language Classes
- Tennis sessions
- Free tuition support
- Character Building
- Counselling for Children

TEACHING IS A
WORK OF HEART

ENGLISH

Something New is Brewing!

A new door of learning has opened for our children, thanks to a kind volunteer who is now teaching them English.

This new program is a powerful step forward in our vision to equip every child with the tools they need to be successful. We are incredibly grateful for the heart and time of this volunteer and we can't wait to see how the children grow through this.

English is the key that unlocks the door to the world

English is more than just a subject in school, it's a gateway to greater opportunities, a bridge to global communication and a key skill for confidence and success in today's world. Whether it's for future education, job prospects or simply being able to express oneself clearly, a strong foundation in English makes a lasting difference.

DREAM BIG

CLIA EDUCATION

Free Uniforms and Bags for Children

CLIA provided free uniforms and bags to underprivileged children in the estate areas. These children have been part of CLIA for nearly a year now, with many of their parents working as rubber tappers. Through CLIA's involvement, there has been noticeable improvement in both their education and character.

When we first met these children, many were lost, some on the brink of joining gangs and struggling with behavioral issues. It seemed like their path was set to follow in the footsteps of their parents as rubber tappers. However, since joining CLIA, they have blossomed into loving, positive individuals, showing incredible growth in both character and education.

Sometimes, all it takes is a little love and support to bring the change. A simple act of kindness can transform lives, showing these children that they are seen, valued and capable of so much more than they ever imagined. Love truly has the power to change the course of their futures.

The greatest gift we can give is love, for it has the power to change hearts and rewrite destinies.

their **Wounds.**
Psalm 147:3

In our previous newsletter, we shared about a family in Lenggeng whom our Senior Pastors, Rev. Arnold and Rev. Santhana Arnold, have been journeying with. This family tragically lost their father to suicide, a result of struggles with depression, drugs and loan sharks. In the wake of this devastating loss, the children are now under the care of CLIA.

Through the support of our Senior Pastors, the children are receiving ongoing counselling to help them heal and navigate their trauma.

CLIA is supporting the family by providing provisions, paying their house rent, pocket money for the children, purchasing uniforms and school bags, and covering the children's school fees, ensuring they have the resources they need to continue their education and grow in a better environment.

Your continued prayers and support are appreciated as we walk alongside this family in their journey toward healing and restoration.

BRIDAL & BEAUTY

We are so proud of **Dharsine Chandra Segaran** for completing her Diploma in Bridal & Beauty from Monasha Skills Academy!

Thanks to a full scholarship made possible through Rev Santhana's connection, Dharsine had the chance to pursue her passion and she made the most of it.

At CLIA, seeing stories like hers reminds us why we do what we do. It's about giving someone a chance and watching them grow into their full potential. Dharsine's journey is an inspiration and we hope it encourages others to believe in themselves and go after their dreams too.

CULINARY & BAKERY

Joyce Jocelyn Bernard is officially on her way to becoming a chef!

She has graduated from the Vocational Training Occupational Centre (VTOC) with a Certificate in Culinary & Bakery and we could not be prouder.

It feels like just yesterday she was growing up in our church family, and now she is stepping into an exciting new chapter.

A heartfelt thank you to Rev. Santhana Arnold, whose support helped make this dream a reality. Through the collaboration between VTOC and Christ Love in Action (CLIA), doors are opening for more young girls to discover their potential and follow their passions.

Joyce's story is just the beginning!

CLIA - HELPING HANDS

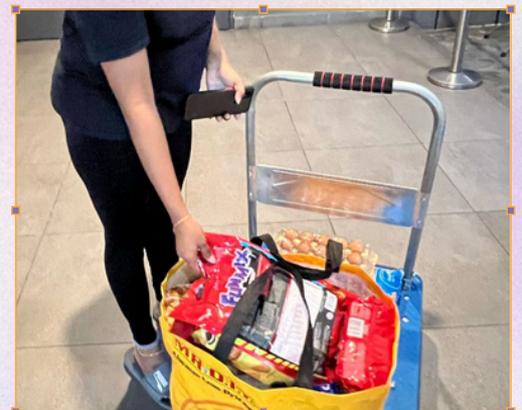

Every month, 9 families who are part of our CLIA program receive essential provisions, ensuring they have the support they need to meet their basic needs. This initiative is designed not just to provide temporary relief, but to help these families transition towards self sufficiency. Our goal is to equip them with the resources, guidance and encouragement needed to stand on their own two feet.

Through this support, we are helping break the cycle of poverty and offering these families a pathway to a more stable future. It's about more than just meeting immediate needs, it's about investing in their long term wellbeing and creating opportunities for growth.

As they progress, we are committed to walking alongside them, assisting them on every step of the way until they can eventually fully sustain themselves.

Hebrews 13:16 (NIV)

And do not forget to do good and to share with others, for with such sacrifices God is pleased.

CHRISTIAN

Single's Meet!

Rev Arnold Rajan & Rev Santhana Arnold

On **29th March 2025**, we had the privilege of hosting our very first Christian Single's Meet, a special event designed to bring together single individuals in a safe, supportive Christian environment. This rare gathering was an opportunity for single's from various churches to connect, fellowship and share in the common desire for God centered relationships. With 43 singles in attendance, it was a beautiful moment where faith, love and different churches came together.

As it says in Genesis 1:28 (NIV),

God blessed them and said to them, 'Be fruitful and increase in number; fill the earth and subdue it.

We are confident that through events like these, God's blessing will overflow, bringing together like minded singles who are ready to multiply His love and purpose in their lives. This is more than just a meeting, it's the start of a movement and we can't wait to see where God will lead us next!

We look forward to the next meet on 3rd May 2025, which will be a picnic in the park.

This gathering was more than just an event, it was a manifestation of the deep passion of Rev. Arnold and Rev. Santhana Arnold, whose hearts are set on seeing the young generation not only grow spiritually but also step into the blessing of marriage and multiplication. Their vision is clear, to create a space where singles can find godly relationships, build families and continue God's work of growing His Kingdom.

REV. SANTHANA ARNOLD
The Founder of CLIA

Heavenly Father,

We thank You for the vision and mission of Christ Love in Action (CLIA). We ask for Your continued guidance and provision as we serve those in need. Bless the families, children, and individuals we support, and empower them with strength and hope. We also lift up our supporters, asking that You bless them abundantly. May our efforts reflect Your love and bring lasting transformation. In Jesus' name, we pray. Amen.

Thank you to all who have supported CLIA through your prayers, time and resources. Your generosity makes a real difference in the lives of those we serve. We are truly grateful for your partnership in this mission and pray that God continues to bless you as you bless others.
